Weekday Morning Prayer

Both Advent and Lent call us to intentionally, prayerfully prepare our hearts to worship Jesus in spirit and truth, in which our Anglican rhythms train us to connect the spiritual themes of preparation and repentance common to both seasons.

As such, we look forward to **St. George's weekday Morning Prayer resuming during the season of Lent, beginning on Monday, February 22nd.**

Education

Youth Group

Virtual youth group starts back up the week after Epiphany.

Women's Bible Study

Women's Bible study resumes the Tuesday following Epiphany, viz. on January 12th at 10:30 a.m. to discuss Letter 14 in *The Screwtape Letters*.

In the meanwhile, here is an interesting tidbit about *The Screwtape Letters* that you may not know:

Lewis believed that The Screwtape Letters should have been paired with a volume of "archangelic advice." However, Lewis felt unable to rise to the challenge: "Mere advice would be no good; every sentence would have to smell of Heaven."

Book Discussion Group

Dear Parish,

We finished up our discussion of *On the Incarnation* by Athanasius with a great conversation.

We will be continuing with our discussion group as we head into the new year, here are the details for what's next:

We will be changing our meeting day from Wednesday evening to Thursday evening, still at 7:30pm on zoom.

Our next book is a small 'handbook' on the theological virtues, *Faith, Hope and Love*, written by Augustine of Hippo later in his life. In this book, Augustine 'carefully treated of the manner in which God is to be worshipped, which knowledge divine Scripture defines to be the true wisdom of man.'

If you are interested in joining us please contact Fr. Jesse or checkout the page on our website (<https://www.stgac.org/discussion-group.html>)

Here is a link to the book online for free: <https://www.newadvent.org/fathers/1302.htm>

And here is a link to the book on amazon: <https://www.amazon.com/Handbook-Faith-Hope-Love-Foundations/dp/0977616703>

Our next meeting will be **Thursday, January 14th**. Please read the first 18 pages, chapters 1-4.

We look forward to another great discussion!
